TIMKEN

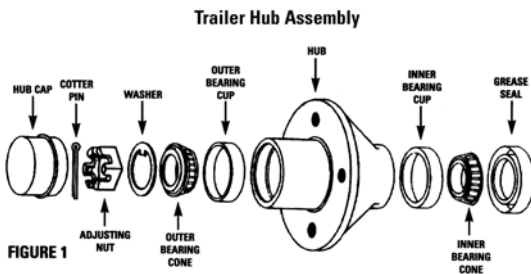

Timken Ag & Trailer Bearings

Timken—The Right Choice

Timken technology offers uniform internal geometry, enhanced surface finishes, special profiles and quality steel to help maximize bearing life. Can you afford downtime associated with lower bearing life?

- Setting new standards in bearing life
- Timken case-carburized tapered roller bearings: #1 in comparison test
The result: Timken bearings out-performed all others. The bearing life of the closet competitor was 33% of that of Timken product. In other words, the life of Timken product was more than 3 times longer than that of the closest competitor.
